## A BREATH OF FRESH AIR

With pennies tight after Christmas, what more could you want than a product that does three jobs? New from Tesco is *Freshorize*, a handy three- in-one handwash and air freshener for just £2.99. The bottle hides an air freshener at the back. Simply push firmly on the bottle's dispensing pump to release the soap and an aerosol is activated at the same time, squirting fragrance into the air. Meanwhile, a gel strip on

the rear of the bottle releases an aroma that freshens the air for up to 30 days. Find *Freshorize* in Tesco stores nationwide.
